We provide Tomás with the following hot topic summaries for both (from the attached list) as well as the attached briefing paper for Rosemont. Perhaps these could be easily updated.

Rosemont Mine (AZ) (non responsive)

Hi Nancy

It is my recollection that Paul Amato provided briefing papers on Cargil and Rosemont when Tomás started his new position. If additional information is needed, we can provide that to you on Monday morning when folks are in the office.

Thanks, E.

Good Morning,
Liz and the Saltyworks team – can you provide a recent briefing paper (off the shelf) to me with a cc to Jason? I am hoping you can get to me before Monday morning at 9:30. I think both have projects have recent briefing papers but for the saltyworks can you include the latest status on our need (or not) for additional \$?
Thanks,
nw
